

Julia L. Butterfield Memorial Library

November 2018

Dear Neighbor,

We are grateful for the many people, clubs, and organizations that we were able to serve in 2018. As of October of this year, your Library has welcomed over 23,000 visitors, hosted over 435 programs, and circulated 32,000 items - and the year is not over yet!

Did you know your donation supports:

RESOURCES

Your Library provides thousands of resources in print and digital formats. Each year our electronic resources improve, making it easier for patrons to view, read, or listen to our materials. In addition, we offer a unique lending library that includes yard tools, power washers, leaf blowers, camping and hiking equipment and a whole lot more.

FUTURE GENERATIONS

Your Library hosts hundreds of fun and educational for infants, kids, t'weens, and teens. Last year we had more than 2,170 young people attend our programs. The Library partners with local schools to support their curriculum, coordinate school trips to the Library, and build summer reading initiatives.

LIFE LONG LEARNING

We extend the opportunity to attend intellectual, cultural, and artistic programming to adults of all ages. Through Library programs such as *Dragonfly* Story Hour for Adults, Silent Film Series, CPR/Defensive Driving Courses, Museum Passes, Writing Classes, and Artists Workshops. Computers help is available on demand or during our two weekly Tech Help sessions on Tuesday and Fridays afternoons. Don't forget about the hundreds online resources that you can access from your home, and never have to step foot inside the library.

LOCAL HISTORY & CULTURE

Through our unique local history collection, rare art books, paintings, historical artifacts, and specialized programming, the Library connects our community with history and culture.

We hope you will consider The Julia L. Butterfield Memorial Library among the organizations you support this year. Remember, your donation is 100% tax-deductible.

Thank you!
