

## Storage Rack

Borrow the whole rack! Our heavy-duty storage rack organizes the tools and transports them right to your yard or garden. This rack holds up to 18 tools in just 2 square feet and has 10 inch tires that never go flat and rolls easily on virtually any terrain.

Oversize 150 lb. capacity lift plate moves bags, boxes, pots and supplies like a two-wheel dolly.

## Heavy Duty Push Broom

Stiff bristles for sweeping rough surfaces. Features technology and anti-rotation socket so broom head never comes loose. Eco-friendly with broom block and bristles made of 80% recycled material.

Lightweight gardening tools have ergonomic comfort grip handles for arthritis

## Gardening Hand Tools

Includes 6 hand tools, a hand rake, weeder, pruning shears and transplanter with garden gloves, sprayer bottle, and even a caddy for gardening tool storage.

## Leaf Blower

Powered by a lithium ion battery. Easily clears debris from hard surfaces like patios, decks, walks, driveways, and garages. Built in scraper at end of hose to scrape off those annoying wet leaves, easy to handle and lightweight for ease of use.

Leaf blower powered by a lithium ion battery.

## Weasel Claw Pro

Cultivates, loosens, aerates, and weeds your soil. It can be used on large areas or tight spaces, is great for heavy soils, including clay, and is also easy to use!

The tines, or claws, are fully adjustable. Use the small setting for weeding, medium for cultivating, and large for tilling.

To use, adjust the tines for your desired purpose. Then, simply place the claw head on the soil and turn the handle while standing fully upright.

## Additional Tools

- Leaf Rake
- Bow Rake
- Dirt Shovel
- Garden Hoe
